JOINT APPLICATION TO EXTEND SETTLEMENT DISTRIBUTION DEADLINES

COMBS NOW the Class Representatives and the Defendants and request the Court extend the deadlines for the remaining distribution processes.

The parties have been diligently working together to determine the settlement allocation amounts for each Class Well. That process took longer than anticipated, but has now been completed. Chevron is currently in the process of allocating the Class Well amounts to each individual Class Member. The parties anticipate an extension of the remaining deadlines by sixty (60) days will allow for the completion of the initial allocation and distribution process.

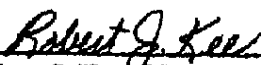

The parties respectfully request the Court to approve the following timeline for completion of the initial allocation and distribution process:

Description	Date
Chevron to provide Class Counsel a listing, in the form of the Summary Final Distribution, of the Class Member's Net Settlement Distribution	August 20, 2010
Class Counsel shall obtain Settlement Judge approval of the Summary Final Distribution	September 20, 2010

Date of initial distribution of the Net Settlement Proceeds to Class Members by Chevron	October 20, 2010
---	------------------

A proposed Order is submitted herewith.

Respectfully submitted,
